Salma Hayek has shared a beach photo of herself in a swimsuit to her 8.7 million followers on Instagram " and the internet"s here for it.

The 52-year-old Mexican-American actress showed off her "2 frame in a leopard print cut-out one piece in the post.

She captioned it: "Dressing for freezing London makes me crave some beach glam."

One person wrote, "Mind blowing", while another commented, "Wow beautiful and sexy."

Someone else added: "Reminds me of old Hollywood glam."

Several others made reference to Sophia Loren, an Italian film actress who rose to fame in the 1950s.

This isn't the first time Salma has showed off her incredible figure this year.

Earlier this month, she posted a picture of herself in a black plunging swimming costume with rope detail, once again to her Instagram account.
