Lottie Moss may have been hoping to catch the attention of some guys by sharing this photo, captioned: "Lounging around the house."

Despite looking amazing in the pink lingerie, the model confessed she hasn't had much luck when it comes to her love life.

Lottie said she hasn't been able to 'keep a man longer than a week for literally ever

Lottie, who has been modelling in the US, tweeted: "Haven't been able to keep a man longer than a week for literally ever, am I the problem lol?"

Despite being unlucky in love, Lottie has plenty to smile about after she recently boasted about earning £36,640 just last month alone.

She turned to the high end alternative to OnlyFans - Glow - to sell nude pictures of herself.
